Hello Idaho's Bounty Co-op member!

Local food seems to bring fabulous folks and creative energies together.

Through the Co-op we are able to work with dedicated farmers and innovative chefs. This month we're happy to feature Chef Vern and his work with local foods and Organic Acres, our new organic dairy.

Nationwide, local food issues are still working to overcome obstacles and push through code restrictions. Read our food tidbit to learn a bit more and do what you can to help out.

As we stated last month, if you have a bit extra, please help support our relationship with the Hunger Coalition by purchasing Idaho's Bounty product **#228 Donation to help purchase local food for those in need**. This is a donation that will go to the Hunger Coalition in the Wood River Valley to buy food for individuals and families who cannot afford it.

Thank you for your orders!

Idaho's Bounty

Gay has been volunteering with us since last winter. In this past year, she's really stepped up to help out with some of our big events (Dinner in the Field and Taste of Idaho's Bounty) and helps with sorting in Hailey each week. She brings a fabulous smile and a great work attitude.

Thanks Gay!
